

## Taking Texas to the TOP 2018 Bexar County Program

The 2018 Taking Texas to the TOP Bexar County Field Program, is working to help elect progressive champions up and down the ballot - Joe Gonzales for Bexar County District Attorney, Gina Ortiz Jones for Congress and Beto O'Rourke for US Senate. Our leadership also endorsed NO on two critical ballot measures impacting the City of San Antonio, Proposition A (changing the petition signature requirements for placing a referendum on the ballot) and Proposition B (term limits and a salary cap for future city managers).

Our operations began on September 9, 2018, knocking on the doors of targeted Latino, African-American, other voters of color and some progressive Anglos who are drop-off voters. Our targeting used voter-level partisanship modeling, vote history and geography. Over 16,000 unique households were knocked in our pass one and we now have an expanded universe that will receive two passes and a phone and peer-texting program now through Election Day. There will also be additional digital program overlays and local ethnic and earned media.

Voters will receive poll-tested messaging and be urged to vote down ballot to assure wins in both top-of-the-ballot and down ballot judicial races. The door program will target 55,000 doors in the county housing 114,000 voters maximizing walkable turf in Congressional District 23 and precincts with large numbers of voters of color in the core of the City of San Antonio.

## Target list of Walk Precincts and Voter Counts

County	Precinct	Total People
Bexar	1002	321
Bexar	1006	1,242
