

Texas Organizing Project PAC 2018 Harris County Program

The 2018 Texas Organizing Project PAC Field Program, in partnership with the Harris County Project 2018, a coalition of State Political Action Committees, will knock on the doors of targeted voters two times with targeted households getting a third pass between September 9 and November, 6 2018. Voters will receive additional treatment from TOP PAC via phone and text plus 5 passes on mail through the coordinated Harris County Project. There will also be additional digital program overlays and local ethnic and earned media.

The goal of the project is to increase turnout among African-American, Latino, other voters of color and some progressive Anglos by targeting drop-off voters using voter-level modeling, vote history and location. Voters will receive poll-tested messaging and be urged to vote a straight Democratic ticket to assure wins in both top-of-the-ballot and down ballot races. The door program will target 105,000 doors in the county housing 266,000 voters with a breakdown of 45% African-American, 43% Latino, 4% Asian and 5% progressive Anglos.
